

GOVERNMENT OF TELANGANA

ABSTRACT

R & B Department – Taking up the works of widening and strengthening of carriageway and widening of culverts/Bridges under Non-Plan – Permission – Accorded – Orders issued.

TRANSPORT, ROADS & BUILDINGS (R-1) DEPARTMENT

G.O.RT.No. 146

Dated: 10-12-2014.

Read the following:-

1. G.O.Rt.No.190, TR&B (R.I) Dept., dated:21/02/2006.
2. From the Engineer-in-Chief (R&B) Roads & CRN, Hyd, Lr.No.311114/Review/SRP 2014-15/2015-16, Dt.24-11-2014.
3. G.O.Rt.No.121, TR&B(R.I) Dept., Dated:25.11.2014.

--

O R D E R:

In G.O. 3rd read above, Government have accorded permission to take up periodical renewals R & B roads with an amount of Rs.2400 Crores under Non Plan and also permitted to take up the following works.

- a) CC pavement & drains in village/Town limits to avoid frequent damages of roads due to water stagnation.
- b) Repairs & Re-construction of CD works/Bridges
- c) Renewals to road stretches which are within 5 years of renewal but damaged.

In the reference 2nd read above, the Engineer-in-Chief (R&B), State Roads and CRN has informed that on some of the roads carrying out renewals without strengthening/re-construction could result in failure of the road pavement leading to wasteful expenditure and also as there is no separate scheme for strengthening of the roads and widening of left over stretches/ required short stretches in the programme finalized during the review meeting held on 31-10-2014. it is imperative to take up strengthening of the roads widening of the aforesaid stretches and widening in the village limits/ town limits along with the renewals which are now proposed to be taken up to bring total road net work into good condition. In view of massive programme being taken up by the Government, divided into three main components it is not expected to accord fresh sanctions for these works. Also without attending to these works, it may be difficult to achieve good road network which is the objective of Government in sanctioning the above massive programme. Therefore, he has requested to accord permission to take up strengthening wherever required and to take up widening of left over bits and widening in the village limits/town limits and widening of culverts/Bridges under Non plan in relaxation of the provisions stipulated in G.O.Rt.No.190, TR&B (R.I) Department dated: 21/02/2006.

Government after careful examination of the matter, hereby accord permission to the Engineer-in-Chief (R&B) Roads & CRN, Hyderabad to take up strengthening of roads, wherever required and to take up widening of left over bits on roads and widening of roads in the village limits/town limits and widening of culverts/Bridges under Non plan, in relaxation of the provisions stipulated in G.O.Rt.No.190, TR&B (R.I) Department dated: 21/02/2006.
